Acceptance of this intent to order form authorizes Sno-Gem to lock in set pricing for this project, on behalf, and based on the anticipated ship date listed above. Actual ship date will need to be confirmed within the Sno-Gem invoice form, which will follow under a separate cover.

The freight charges included within this Estimate/Order Form are being provided as a BUDGETARY ESTIMATE ONLY. Actual freight charges may vary from the amount included within this estimate. This pricing specifically does not include a liftgate for LTL service, delivering to a residential area, or delivery to a construction site. Purchaser is solely responsible for any and all additional shipping charges incurred based on the adjustments listed within this statement, or as a result of any errors in the shipping address that maybe furnished to Sno-Gem by the Purchaser. Please notify Sno-Gem immediately, if the ship to address changes, or any of these additional charges listed within this statement may apply to your shipment.

Accepted estimates will be valid 30 calendar days beyond the approximate ship date listed above, or this estimate may be subject to a price adjustment.
 Estimates furnished without an approximate ship date are valid for 30 days from date of estimate. Prices are subject to change without notice thereafter.
